2012 HISTORICAL CHART ARCHIVE

Remastered Yearbook Edition

Americana - Christian Country - American Top 40 - Southern Gospel

52 Weekly Chart Dates + Year-End Top 100 Lists

Historical rankings, song titles, artists, and label/company information are preserved from the surviving source PDFs. Only the presentation has been rebuilt for readability, consistency, searchability, and archival efficiency.

About This Remastered Archive

2012 captures a major mid-year transition in the chart archive. Through June, the regular weekly series consists of Americana, Christian Country, and a Southern Gospel Top 100. Beginning in July, the surviving files shift to an American Top 40 publication and a Southern Gospel Top 40. This edition preserves that change as it appears in the source archive.

Twelve separately named Radio Music Week monthly Top 40 publications also survive and are included as a supplement, along with the year-end Top 100 Songs and Top 100 Artists lists.

Collection element	Count

Source Notes

1. The weekly structure changes after June 26. The source archive itself moves from three weekly series to two, and this yearbook retains that historical transition.
2. The July 1 and July 8 American Top 40 files use AGOP40 / AGTOP40 filenames; from July 15 forward the series uses AMERICAN-TOP40 filenames.
3. 0 weekly source file(s) contain fewer or irregular ranked rows than the nominal chart size. Only recoverable published positions are preserved.
