2013 HISTORICAL CHART ARCHIVE

Remastered Yearbook Edition

American Top 40 - Southern Gospel

51 Weekly Chart Dates + Year-End Top 100 Lists

Historical rankings, titles, artists, and label/company information are preserved from the surviving source PDFs. The presentation has been rebuilt for readability, consistency, searchability, and archival efficiency.

About This Remastered Archive

The 2013 archive continues the American and Southern Gospel weekly chart format through most of the year under the Radio Music Week (RMW) name. In December, the surviving source files transition to MTR branding; the Southern Gospel weekly chart also expands from a Top 40 to a Top 50. This edition preserves those changes rather than normalizing them away.

The collection also contains the 2013 Top 100 Songs and Top 100 Artists lists, monthly Radio Music Week Top 40 publications, and a December 2013 Top 100 supplement.

Collection element	Count
Weekly source charts	102
Weekly chart dates	51
Weekly ranking rows recovered	4,051
Year-end Top Songs	100
Year-end Top Artists	100
Monthly RMW supplements	10
Monthly supplement rows	400
December Top 100 supplement rows	100
Irregular/incomplete weekly sources	4

Source Notes

1. December marks a visible branding transition in the surviving archive from RMW / Radio Music Week filenames to MTR filenames.
2. The December Southern Gospel weekly series is a Top 50 rather than the earlier Top 40. The original chart size is retained.
3. 4 weekly source file(s) contain fewer or irregular ranked rows than their nominal chart size. Only recoverable positions are preserved.
